PRESS RELEASE - FOR IMMEDIATE RELEASE

Johnson Astills kicks off our Business Spotlight for 2024

Solicitors, Johnson Astills, based on Church Gate are Love Loughborough's Business Spotlight for January. The award winning firm provides legal services in a number of fields including, wills and probate, family, criminal defence and much more.

They have a great reputation for excellence in each of their specialist legal departments and their commitment to keeping each division separate, which allows specialist staff to provide authoritative advice and expert representation to clients of their Loughborough or Leicester offices.

Johnson Astills came about when Helen Johnson and Lesley Emery founded Emery Johnson in 1995. With a small loan from the Sir Thomas White Charity and an even smaller business loan, the pair rented offices at Welford Road and Emery Johnson became Leicester's first all female partnership. Emery Johnson joined with Astills in September 2013 to become Emery Johnson Astills, one of Leicestershire's leading law firms. In 2020, the firm re-branded to Johnson Astills.

They have been described by the Law Society Gazette as 'no ordinary firm'. Visit their website to find out more about the services they offer - www.johnsonastills.com

Notes to editor

The Loughborough BID was set up in February 2012 following a vote of town centre businesses. It represents 600 businesses across all sectors that each pay an annual levy to fund the improvements. A board of Directors made up of BID Businesses oversees the delivery and management of the scheme.
