PRESS RELEASE – FOR IMMEDIATE RELEASE

Love Loughborough Car Show returns to the town for Father's Day

The ever popular Love Loughborough Car Show returns to the town centre on Sunday 21st June 2026.

The day long event has grown in popularity since its inception in 2015 and continues to attract a huge range of cars and visitors from across the country.

This year there are over 100 vehicles already registered including Austin 1100s, Ford Populars, VW camper vans and traditional bugs, Land Rovers, Ferraris, a Rolls Royce and military vehicles.

The event is free to attend and takes place in the Market Place, Loughborough between 10-4pm. In addition to the huge display of cars, there's live entertainment and lots of delicious food and drink stalls.

Love Loughborough BID Chairman Lez Cope-Newman said 'Being a car enthusiast myself, this is one of my favourite Loughborough events. Not only is there a fantastic display of cars but it's a delight to see and chat with their proud owners about the history of the cars and care that's gone into their maintenance. But even if you're not a car enthusiast, it's a lovely, friendly day out for all the family to enjoy'.

Notes to editor

The Loughborough BID was set up in February 2012 following a vote of town centre businesses. It represents 600 businesses across all sectors that each pay an annual levy to fund the improvements. A board of Directors made up of BID Businesses oversees the delivery and management of the scheme.
